Do you understand that Treason is not a crime that goes through district court?

This is the dumbest tweet of September... I'm sure something will top it.. but still hilarious... none the less..

It seems the only ones who can't let an election go are the ones claiming you need to let an election go..

The United States Navy, or the Department of Defense, will NOT be cancelling its contract with Catholic Priests who serve our men and women in the Armed Forces so well, and with such great compassion & skill. This will no longer be even a point of discussion! @CardinalDolan

I've seen reports stating that only 7% of protests are violent.

I've also seen reports indicating that only 6% of COVID "deaths" are directly attributable to COVID.

I'm no math major, but it would appear that riots are more dangerous than COVID.

Why would anyone think that any of Joe Biden's policies would bring back jobs?

He's going to tax the hell out of corporations, lock American down with a mandatory mask mandate, and absolutely crush the middle class..

Karl Rove DESTROYING Mr. Biden and the Democrats on COVID--their lies are endless and shameless.

President Trump's actions have been both prescient and consistently forward-looking and forward-driving.

He has been and is the champion for the American people--always!

Fake News is at it again! They will take any statement from me, no matter how proper or well delivered, &, systematically, in complete conjunction with all of their allies, dismantle it. With Biden, they only give him softballs, and let him read the answers from a teleprompter!

Do you realize that America has tested more than all other countries combined? Mainly because the other countries don't care anymore.. It's nothing but a liberal talking point.. 60% from nursing homes, 6% Covid Only Deaths..

You are either misinformed or confused, or both.

The same people that want to solely blame the President for Covid refuse to even mention the governors of New Jersey, Michigan, New York, and others who are single handedly responsible for over 50% of the deaths which occurred in our nation's nursing home.

Now why is that?

In Mexico the positivity rate of Covid is said to be between 20% to 50% of the country infected.. A case is found for every few tests conducted.

Strange if the Democrats cared about Americans & the virus so much, wouldn't they be down on the border right now Building that Wall?

Do you realize that America has tested more than all other countries combined? Mainly because the other countries don't care anymore. It's nothing but a liberal talking point. 60% from nursing homes, 6% Covid Only Deaths.

You are either misinformed or confused, or both.

> I mean, if anyone but Trump was in office we likely wouldn't be leading the world in Covid cases & deaths, so there's that. I'm not much of a political cheerleader for anyone, but the narrative that "things would be so much worse" is as lazy of an endorsement as there is

I'm smart enough to listen to scientists & doctors on matters of health & science; not politicians. I get your whole Twitter angle. I don't really give a sh!t about it or you, just pointing out an objectively lazy & transparent Trump endorsement tweet.

Bob Woodward had my quotes for many months. If he thought they were so bad or dangerous, why didn't he immediately report them in an effort to save lives? Didn't he have an obligation to do so? No, because he knew they were good and proper answers. Calm, no panic!

Democrats keep talking about the economy & Covid-19... If Joe Biden had of been President, the entire country would be CLOSED DOWN & under a MANDATORY MASK MANDATE. We would be in the worst recession in U.S. History. Those are the Facts!

This is true. One of the most disturbing and sad things to see is the emergence of people who will tell on their neighbors for refusing to bow to the State. It's a frightening phenomenon and must be studied to know how Americans could do that to each other.

Today on TruthSlingers, we all have our opinions of things that happened and lead to September 11th, 2001. Today we will honor the victims, and those thousands who lost their lives on this dreadful day in American history.

We can debate another time, today is NOT that day.

Joint Statement of the United States, the Kingdom of Bahrain, and the State of Israel

Joint Statement of the United States, the Kingdom of Bahrain, and the State of Israel

President Donald J. Trump, His Majesty King Hamad bin Isa bin Salman al-Khalifa of the Kingdom of Bahrain, and Prime Minister Benjamin Netanyahu of Israel spoke today and agreed to the establishment of full diplomatic relations between Israel and the Kingdom of Bahrain.

This is a historic breakthrough to further peace in the Middle East. Opening direct dialogue and ties between these two dynamic societies and advanced economies will continue the positive transformation of the Middle East and increase stability, security, and prosperity in the region.

The United States expresses its gratitude to the Kingdom of Bahrain for hosting the historic Peace to Prosperity workshop in Manama on June 25, 2019, to advance the cause of peace, dignity, and economic opportunity for the Palestinian people. The parties will continue their efforts in this regard to achieve a just, comprehensive, and enduring resolution to the Israeli-Palestinian conflict to enable the Palestinian people to realize their full potential. Israel affirmed that as set forth in the Vision for Peace, all Muslims who come in peace may visit and pray at the Al Aqsa Mosque and Jerusalem's other holy sites will remain open for peaceful worshippers of all faiths.

King Hamad and Prime Minister Netanyahu express their deep appreciation to President Trump for his dedication to peace in the region, his focus on shared challenges, and the pragmatic and unique approach he has taken to bringing their nations together.

The parties commend the United Arab Emirates and Crown Prince Sheikh Mohammed bin Zayed for his leadership on August 13, 2020, in announcing full diplomatic relations with Israel.

The Kingdom of Bahrain has also accepted President Trump's invitation to join Israel and the United Arab Emirates at the historic signing ceremony on September 15, 2020, at the White House where Prime Minister Benjamin Netanyahu of Israel and Foreign Minister Abdullatif Al Zayani of Bahrain will be signing a historic Declaration of Peace.

Well, as usual the Democrats blocked it! SOP for the Democrats! NO negotiation, NO reaching across the Aisle! It is always, what are the political winds telling us? Let us have a focus group. Above all let us not cooperate in any way with the GOP if it would give them a win!

This is going to be glorious :)

Was Andy McCabe ever forced to pay back the $700,000 illegally given to him and his wife, for his wife's political campaign, by Crooked Hillary Clinton while Hillary was under FBI investigation, and McCabe was the head of the FBI??? Just askin'?

Democrats will silence anyone that opposes them and they will change or break any rules to obtain power & control. We have seen time again fairness, equality, right/wrong etc.. do not matter to Democrats, they merely seek to win at any cost.

Keep in mind that republicans did this during the Bush Jr years and did just as much damage to the nation. Never in my life thought the constitution could be usurped but there it was.

MSM pumped propaganda and the American people said "security in exchange for liberty."

The Unsolicited Mail In Ballot Scam is a major threat to our Democracy, & the Democrats know it. Almost all recent elections using this system, even though much smaller & with far fewer Ballots to count, have ended up being a disaster. Large numbers of missing Ballots & Fraud!

Jesus didn't stop preaching the Word when he was persecuted by the angry mob. He didn't kneel when he was told to retract that that he was son of God. And he touched lepers so he definitely wouldn't have worn a mask. Good talk.

It's pretty simple on the mask idiocy folks.. If they refuse you service, or ask you to leave.. Leave...

That's their right, period.. It's your right to shop, go elsewhere, and NEVER give them a dime of your money EVER again, and to tell other Patriots about your experience.

Sleepy Joe Biden has spent 47 years in politics being terrible to Hispanics. Now he is relying on Castro lover Bernie Sanders to help him out. That won't work. Remember, Miami Cubans gave me the highly honored Bay of Pigs Award for all I have done for our great Cuban Population!

President Trump is a LAW & ORDER leader! He will not tolerate anarchist violent thugs terrorizing innocent Americans just trying to live their lives. If the town, city & state officials will not stop them, Trump will! Without law & order, we will not have a civilized society.

Every American who loves this great nation must understand that this is the most important election of our lives. PRESIDENT TRUMP is the only one to prevent the USA from becoming a socialist, lawless cesspool w/ criminal thugs running the streets.

The philosophy of ACAB is a perfectly logical result of the proposition that the police are systemically racist.

When you can't name a racist policy, when you chalk up all disparity to discrimination, when every incident of police evil becomes evidence of broader systemic racism, any attempt to dissociate "good cops" from the racist system in which they are complicit becomes untenable.

amusingly, alleged epidemiologist eric ding had never even heard the term "sample rate" when i spoke to him

this has been a deliberate attempt to make data that was not scary look scary.

while we're on that topic, the other big data misrepresentation has been that of a "second wave" in the US.

this did not happen. period.

it was a first wave in 2 different seasonal zones.

I have a theory about CNN. Their ratings are so low, I think the only people watching them are right wingers looking to be outraged. Otherwise they'd have no audience at all.

this has been a deliberate attempt to make data that was not scary look scary.

while we're on that topic, the other big data misrepresentation has been that of a "second wave" in the US

this did not happen. period.

it was a first wave in 2 different seasonal zones

The NFL's TV ratings have crated, and are reportedly down 28% to open the season compared to 2019.

Dwayne Haskins wore the name Davon McNeal on his helmet Sunday. McNeal was an 11-year-old child brutally murdered in Washington D.C. while at a cookout.

How many other NFL players will have the courage to shine a light on young black kids being murdered?

As if the air quality in California wasn't bad enough, WH garbage fire Trump is going to grace the already-burning state with his presence today. Trump is ostensibly coming for a "briefing" on the massive, historic fires that have been burning throughout the state for weeks.

Candour99 @Candour99

The briefing is one he wedged into his out-west campaign appearances after facing criticism for publicly ignoring the emergency for three weeks. He shouldn't have bothered. Everyone in CA knows that the best possible place for Trump to be during a disaster is far, far away.

The newly released DOJ records from the OIG investigation of corruption during the Mueller probe shows that a key tactic used by the Mueller team was to put the phones in airplane mode, lock them, and then claim they didn't have the password.

I guess Trump must have "lied" to Spain too and it's all his fault.

We are advertising all over the place, but as much as we do, the Fake News likes to say we aren't. Just being smart. We have much more money than we had at same time in 2016. Also spending on other, and different, elements of the campaign. Starting to get great poll numbers!

Why does this happen? Because pea-brained celebrities that are idolized like [illegible] tell young black men that they are “literally being hunted”. This is the natural result of such hyperbolic, dishonest rhetoric.

The racist, anti-police, black lives matter LIE is to blame.

Things are not as they appear... But hopefully a few are smart enough on our side to realize that.. This has always been Trump vs Harris... Not Trump vs Biden..

I wish something could happen to everyone commenting good and they hope they die. It's a sad world. I moved from the city a long time ago. Most people around here are level headed. I can't imagine how these people were raised

A new coronavirus survey reveals Donald Trump's approval ratings on the pandemic to be damn near disqualifying for anyone seeking reelection to the highest office in the land

These are absolutely devastating numbers on one of the most defining issues of the 2020 election cycle.

- Arizona 31%
- Florida 29%
- Georgia 35%
- Iowa 34%

There was a *7000* vehicle Trump Parade in Laredo, TX - didn't require a visit, Miss Melania wasn't in town or anything. And they still had 7k!!!

I dont like to discuss tactics too much(dont want to educate bad guys) but practice shooting 1 handed as much or more as 2. I advocate during 1 handed, for ur shooting hand thumb to be pointed up and ur hand in its natural canted position since it doesn’t have stabilizing hand.

One of the most recent FBI studies on ammunition ballistics revealed the top 2 criteria to stop an assailant is:

1: Well place shot
2: Penetration

Most hollow points are not very effective & round size isn't as vital as one might think.

I'm a big advocate of a weapon light for both pistol & rifle. Imagine it's dark in the house & an intruder comes in, identification is paramount, could be ur kid. I don't advise going over 400 lumens for indoor lights, backsplash off walls, mirrors etc.. can be very problematic.

I am certain we can solve this Police issue easily. Those that don't want the Police, can register their name and address and the Police will not respond to anything involving them.
Those that do, will have a lot more help from the Police. Quick & Easy.

I am certain we can solve this Police issue easily. Those that don't want the Police, can register their name and address and the Police will not respond to anything involving them.
Those that do, will have a lot more help from the Police. Quick & Easy.

China as a "positive development" for America and the world. If it were up to Joe, bin Laden and Soleimani would still be alive. ISIS would be still on the rampage, and China would now be the dominant power in the world — not America.

With or without fans in the stadium...?
D's are afraid of the plethora of signs that will show support for our president...It's overwhelming...
Look at the boat parades, car parades, the long lines of Americans waiting to see the commander in chief in person.

You killed 200,000 Americans. You knew how deadly and transmissible Covid was in January. You knew it was airborne. But you packed your MAGATS into indoor spaces with no social distancing. You told them not to wear masks. Why do you want to kill your own supporters?

But Chris, you don't see any activity from China, even though it is a FAR greater threat than Russia, Russia, Russia. They will both, plus others, be able to interfere in our 2020 Election with our totally vulnerable Unsolicited (Counterfeit?) Ballot Scam. Check it out!

CSPAN @cspan
FBI Director Wray: "We certainly have seen very active, very active efforts by the Russians to influence our election in 2020 ... to both sow divisiveness and discord and ... to denigrate Vice President Biden."

...And I look at them as a bunch of well funded ANARCHISTS & THUGS who are protected because the Comey/Mueller inspired FBI is simply unable, or unwilling, to find their funding source, and allows them to get away with "murder". LAW & ORDER!

There is ZERO evidence that Russia hacked the DNC.. The fact that you're a journalist is a joke..

> **(((evan shapiro)))** @eshap
> To be clear: The President of The United States offered Julian Assange a pardon in exchange for saying that Russia did not hack the DNC, when in fact they did.
>
> Again: Trump offered a quid pro quo pardon to Assange, if he said, inaccurately.
